Dear Mr. Teasley:

Thank you for your recent renewal application for a 1003(g) School Improvement Grant under the ESEA. **21st Century Charter Schools of Gary** will be given a **conditional renewal for the 2014-2015 school year**.

In accordance with your application and available funding, you are being awarded \$1,343,214.00 for the 2014-2015 school year with a 5% hold on funds. Due to the conditional renewal, this hold will be in effect until at least December 2014. At that time, the hold may be lifted or continued based on first semester progress. Additional details on the conditional approval can be found below.

Like other Title I monies, the Title I §1003(g) School Improvement Grant award must be used to supplement the level of funds that, in the absence of the Title I monies, would be made available from non-federal sources for the education of the students at this school. Improvement funds must be tracked separately from all other Title I Grants. Local fiscal agents are to place improvement funds in a Title I account assigned for school improvement (this funding number must not be the same number as is used for the Title I Basic grant award). Because these are school improvement funds, districts may not combine funds into one account, and the amount awarded each school must be spent on improvement initiatives at that particular school. **The CFDA number for these funds will be 84.377A.**

We look forward to continuing our work with your team this school year. Please feel free to contact Cindy Hurst at (317) 234-2145 or 1003g@doe.in.gov if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Cindy Hurst".
